

I Will Run

Words & Music By Jason Morant

(B string tuned up to a C, leaving it open for all of the chords)

C Csus C G/B C
How long will it be until we are standing face to face
C Csus C G/B C
How long will it be until I behold that wondrous place
C Csus C G/B C
My eyes will be fixed on You and my heart will have found its home
C Csus C G/B C
Until then I will run this race, and will live to make You known

F C/E G
I will run, I will run
F C/E C
All my days are Yours
F C/E G
I will run cause You are all
F C/E C
I am living for

I have only You to thank for my soul being transformed
And for all of the times You'd come like a fire to bring me warmth
And for all of the times Your wounded hands would give me strength
For me to continue to run this race to make You known

I will run, I will run
All my days are Yours
I will run cause You are all
I am living for
